Na leibhéil éagsúla

The different levels

- Beidh an cúrsa seo á chur ar fáil ag na leibhéil seo a leanas:

This course will be offered at the following levels:

Bonnleibhéal 1 (A1) – Beginners 1 (A1)

Bonnleibhéal 2 (A2) – Beginners 2 (A2)

Meánleibhéal 1 (B1) –Intermediate 1 (B1)

Meánleibhéal 2 (B2) – Intermediate 2 (B2)

Ardleibhéal 1 (C1) – Advanced 1 (C1)

Na leibhéil éagsúla

The different levels

Bonnleibhéal 1 (A1) – Beginners 1 (A1)

This level is aimed at those who have **no knowledge of the Irish language** or who know only a few words and phrases. The class is **not suitable for anyone who has recently attended a beginners course or who has studied Irish at secondary school.** The emphasis is on developing speaking and listening skills and grammar is taught in context for the most part. By the end of the course participants will have learnt how to engage in basic everyday interactions, talk about themselves and their background, their family, their pastimes etc.

Bonnleibhéal 2 (A2) – Beginners 2 (A2)

This level is suitable for those **who have already attended a beginners class or who are able to communicate at a basic level in Irish** (they can greet people, for example, and introduce themselves). The material covered in the beginners class is revised at the beginning of the course but the class then progresses to other topics not covered at the lower level. As with the beginners level, the emphasis is on developing speaking and listening skills and grammar is taught in context for the most part.

Meánleibhéal 1 (B1) – Intermediate 1 (B1)

This level is intended for **those who have studied Irish at school, perhaps a good number of years ago**, who **understand a great deal of the language** but have had **few opportunities to use it in recent years.** Some basic language is taught at the beginning of the course, but the class then progresses at a faster pace than a lower-level class would.

Na leibhéil éagsúla

The different levels

Meánleibhéal 2 (B2) – Intermediate 2 (B2)

Suitable for people who are **comfortable speaking Irish** and **who use the language from time to time** – in a social context, for example. Participants have an opportunity to extend their vocabulary and to learn more about Irish grammar. The **topics discussed in class are more challenging** than those covered at the lower intermediate level e.g. technology, politics, the media etc.

Ardleibhéal 1 (C1) – Advanced (C1)

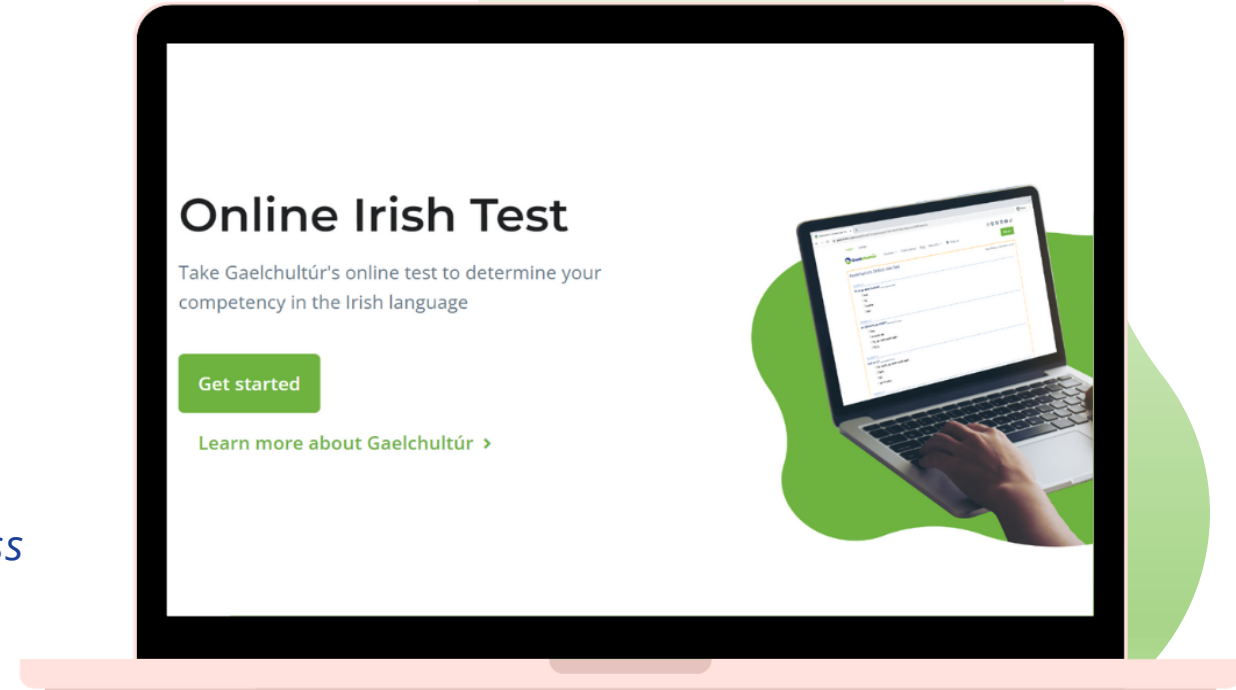

This level is aimed at those who have a **reasonable fluency in Irish** but who have **little experience of discussing more challenging topics** (current affairs and technology, for example). Participants have an opportunity to add to their vocabulary and range of idiomatic expressions and to improve their grammar. **A wide range of topics is discussed in the classes.**
